Principal's Message

Things are certainly ramping up and the school has been a hive of activity this past fortnight.

Firstly, a huge thank you to Sherryn and Jordan Schilg who have been volunteering their time and delivering football/netball clinics with the students each week. We have certainly appreciated your expertise.

An exciting and tiring day was had by our K-2 students last week on their excursion. They were all transported to the sounds and delights of the sea. Followed by some musical, artistic and literary experiences.

This week we have celebrated Book Week with a virtual story performance and then parade on Thursday. Thank you to everyone who was able to join us for a fun afternoon and celebrate with the students.

Thank you also to Ruth and Brandon Shipard for organising and arranging delivery of some new feathered friends. Thank you for your kind donation of our Isa Brown chooks, they are settling in well to their new home.

Finally, best of luck to Lilly who is competing at the Riverina Athletics Carnival today. She is representing the Southern Riverina in three events, the 100m sprint, 200m sprint and the long jump! What a wonderful achievement.

I look forward to seeing you all at the P&C Movie Night!

Miss Widdison

SCHOOL NEWS

Father's Day Invitation

This year to celebrate Father's Day the students would like to invite their dad, grandparent, uncle or father figure to join them at school for a campfire on Friday 2nd September from 9.30am to 11.15am.

Please RSVP to the front office if you are able to attend by Friday 26th August.

Tree Planting Activity Day

Brocklesby PS have been invited to participate in the Building biodiversity relationships within the Burrumbuttock and surrounds farming community project, delivered by Petaurus Education Group Inc. (PEG), assisted by the NSW Government through its Environmental Trust. This project includes various activities throughout 2022 such as visits to the school by PEG staff, excursions to landholders' properties in your local area and visits to Wirraminna Environmental Education Centre in Burrumbuttock. Next Tuesday we will be travelling to Sam Schilg's property to plant some trees and participate in some biodiversity activities.

Book Week

Thank you to all the families who came along and joined us for some Book Week festivities. The students shared their artwork, reader's theatre and costumes based upon the CBCA Shortlisted Books for 2022. Thank you to Ms Clements for organising our Book Week displays and presentations.

Year 6 Check-In Assessment

Check-in assessments are online assessment for students in Years 3 to 9. They are mapped to the NSW Syllabuses and National Literacy and Numeracy Learning Progressions. There are two assessments: reading and numeracy. Each assessment is designed to be quick and easy to administer, consisting of between 40 to 50 multiple choice questions.

Schools can access feedback soon after the completion of the assessment. Student assessment feedback from the Check-in assessments, including links to teaching strategies will be available in Scout. Student assessment information is also mapped against the National Literacy and Numeracy Learning Progressions and can be accessed in PLAN2.

The assessment can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs.

Assessment Window: Year 6 students - Weeks 8 to 10 (5 - 23 September)

Changes to Year 6 assessments and Best Start Year 7 The following changes to the Year 6 assessment support Secondary school transition.

- In addition to the reading and numeracy assessment, Year 6 will complete a writing task. The writing task will be externally marked
- Secondary schools will be able to access the 2022 Year 6 Check-in assessment data (Term 3) from the first day of Term 1 via new transition reports in Scout. Details on the new reports will be available in Term 4, 2022.

Best Start Year 7 is retired from 2023 and replaced with the Transition to Year 7 assessment. The Transition to Year 7 assessment will use the same items as the Term 3, 2022 Year 6 Check-in assessment (reading and numeracy) to allow schools to have comparable data for the cohort. The Transition to Year 7 assessment does not include the writing assessment. If you have any further questions please contact us.

CONNECTING KIDS

Kindergarten Transition

For children who will begin Kindergarten at Brocklesby Public School in 2023

Tuesday 18th	October	9.30 – 11.15am
Tuesday 25th	October	9.30 – 11.15am
Tuesday 1st	November	9.15 – 12.30pm
Tuesday 8th	November	9.15 – 3.15pm

Learning

Young children arrive at school with a wealth of experiences and knowledge. Schools acknowledge this and use this prior knowledge as the basis for future learning.

Connecting

Building on children's prior and current experiences helps them to feel secure, confident and connected to familiar people, places, events and understandings.

Transitioning

Transition programs impact a child's engagement with school, their wellbeing and ongoing learning trajectory. A transition to school program is developed in response to the needs of the children and parents within the local context.

Get in touch:

Kindergarten 2023

Enrolments can be done online here or by clicking on the 'Enrolments' tab found on the Brocklesby Public School website (at the top of the home page). Enrolment forms are also available to pick up from the office.

To complete your application we require your child's birth certificate, immunisation records and proof of residence documents totaling 100 points.

If you still have documentation to submit to the office please do so as soon as possible.

To find out the types of documents required for proof of residence and their points value click on the following link: [100 point check of proof of residence](#)

Parent Information Session: Wednesday 14th September @ 6.30pm

Transition Days

Session 1 – Tuesday 18th October – 9.30am-11:15am
Session 2 – Tuesday 25th October – 9.30am-11:15am
Session 3 – Tuesday 1st November – 9.15am-12:30pm

Session 4 – Tuesday 8th November – 9.15am – 3.15pm

If you have any questions please contact the school on 6029 4272.

Brocklesby Chick Inn Latest News!

Chooks

We have eggciting news from the Brocklesby Chook Inn! There have been four new silkie arrivals and four new Isa Browns join us.

Thank you to Mrs Newton for organising accommodation at the Chook Inn and making all our new feathered friends feel so welcome.

The students have enjoyed spending time at the Chook Inn and helping our new friends settle in.

We look forward to sharing more photos and updates on the happenings of the Brocklesby Chick Inn in the coming weeks.

COVID-19

COVID19 Information (updated 24th August)

With COVID-19 and the flu circulating in the community, we will continue our layered COVID-smart measures for Term 3 to prioritise student and staff wellbeing, while keeping schools operational. Our layered measures include strongly advising mask-wearing, rapid antigen testing (RAT), strongly encouraging vaccinations, maximising natural ventilation, hygiene and cleaning. In certain circumstances, the department's Health, Safety and Staff Wellbeing case management team may advise that some additional COVID-smart measures must be temporarily reintroduced or enhanced at your school to act as a 'circuit breaker'. Your principal will work with your Director, Educational Leadership (DEL) and the department's Health, Safety and Staff Wellbeing case management team and let you know of any changes at your school, if needed.

Masks

In response to NSW Health advice and the current COVID-19 situation in the state, the Minister for Education and Early Learning has strongly encouraged mask-wearing when indoors for all school-based staff and for all students, particularly for the first 4 weeks of Term 3. Masks are an effective way to reduce the risk of transmission of respiratory viruses and infectious diseases, including COVID-19 and the flu. A 4-week mask-wearing 'blitz' will help to reduce the risk of transmission events in our schools and keep our schools operational to support our students' learning. Masks continue to be required for workers who support our students who are at greater risk of serious illness should they contract COVID-19 in schools for specific purpose (SSPs), support units and some mainstream classrooms. Masks continue to be mandatory on public transport. This applies to students aged 12 years and older, and staff when travelling to and from school and during school excursions by public transport or by chartered transport services. In line with the latest advice from NSW Health, masks are recommended for students and staff who have recovered from COVID-19, completed their 7-day isolation period and are no longer showing symptoms for an additional 3 days (from days 8 – 10 after receiving a positive COVID-19 result). Schools are asked to refer parent and carer enquiries to the NSW Government fact sheets for information on safely managing COVID-19. Note: In certain circumstances, and as advised by the department's Health, Safety and Staff Wellbeing team, some schools may be directed to temporarily reintroduce additional COVID-19 temporary measures including mandatory mask-wearing to minimise transmission risks within the school settings. Principals will communicate this update to schools if and when applicable. RATs will be sent to schools from Week 1 of Term 3. The delivery is expected to be completed within the first three weeks of term. Beyond the departmental provision of RATs, students and staff should continue to access PCR tests and store-purchased RATs when experiencing symptoms or when identified as a close contact. Please continue to upload any positive test results to the Services NSW website.

Close contacts

Staff and students who are identified as close contacts are allowed to attend school, providing they follow certain guidelines.

Staff and students cannot attend schools for specific purposes (SSPs) or support units as a close contact, and will be supported to work or learn from home. Close contacts attending school will need to adhere to the following in addition to the NSW Health guidelines:

- They must notify the school and/or early childhood education (ECE) service provider (including their outside of school hours care provider) if they are intending to return under this provision.
- They should conduct a daily RAT and return a negative result each morning before attending school for 5 school days.
- They (if in a secondary school setting) must wear a mask indoors except when eating or exercising. Primary school students are recommended to wear a mask indoors (except when eating or exercising).

- No student or staff member identified as a close contact will be permitted to participate in overnight excursions, including school camps.
- No apprentices, trainees or students on placement or staff member identified as a close contact will be permitted to attend settings identified as high risk by NSW Health (healthcare, aged care, disability care or correctional facilities)
- Any visitor to a school site who is a close contact is required to advise the school that they are a close contact before they come on site. These visitors should conduct a daily RAT and return a negative result before attending. They must also wear a mask indoors at all times. Schools should consider if the visit can be conducted virtually.

Remember

Staff and students cannot attend school if they are showing any symptoms of COVID-19. If symptoms occur at any time, your child should not attend school and should undertake a rapid antigen test (RAT). If a student is unwell and has any COVID-19 symptoms, they should always test for COVID-19. If the test comes back negative for COVID-19, the student should still not return to school until either:

The student no longer has any symptoms, or A medical certificate is provided to the school confirming that symptoms are explained by another diagnosis (such as hay fever). It is important that students do not attend school if they are unwell, even if they have tested negative for COVID-19. Rapid antigen tests can produce false negative results and symptoms of other illnesses can also be similar to COVID-19, including flu, the common cold and stomach bugs. Health advice is that students who are sick should always stay home to rest and recover and avoid putting other students and staff at risk of getting sick. It is recommended that students and staff that return to school after recovering from COVID-19 do not participate in rapid antigen testing for 12 weeks following release from self-isolation unless they develop new COVID-19 symptoms. This is due to NSW Health advice that people who have recovered from COVID-19 have a low risk of contracting it again in the following 12 weeks.

For positive COVID-19 cases

If there is a positive case in your child's class, year or other grouping, your child can continue to attend school in line with NSW Health advice. If a student or staff member receives a positive RAT test, they need to:

- record the positive RAT result through the Service NSW website or Service NSW app – please add details of your child's school or early childhood education centre when prompted
- notify the school of the positive RAT or PCR test result as soon as possible
- follow NSW Health advice to isolate for 7 days. Registering your child's positive RAT with Service NSW is a requirement of the Public Health Order and helps NSW Health track COVID-19 in schools and address any public health issues early on if required.
- Negative results do not need to be reported to Service NSW or to the school. Schools will inform their community when there is a positive case in the school and guide families on NSW Health advice, including monitoring for symptoms. Parents should expect regular communication. For more information, including COVID-19 guidelines and fact sheets, refer to People who tested positive or were exposed to COVID-19.

NSW Health also recommend getting vaccinated against flu. Flu has different effects of COVID-19 and often affects children more severely than COVID-19. Flu vaccines are free for all children aged 6 months to 5 years, and for a small charge for those aged 5 years and older.
